

Beautiful

The Carole King Musical

at The Tennessee Performing Arts Center
Nashville, Tennessee

Thursday, May 25, 2017

Before she was Carole King, superstar—she was Carol Klein, teenage songwriter. Her music would become the soundtrack to a generation.

She fought her way into the record business as a teenager and, by the time she reached her twenties, had the husband of her dreams and a flourishing career writing hits for the biggest acts in rock 'n' roll. But it wasn't until her personal life began to crack that she finally managed to find her true voice.

Grammy and Tony-Award-Winning BEAUTIFUL tells the inspiring true story of King's remarkable rise to stardom, from being part of a hit songwriting team with her husband Gerry Goffin, to her relationship with fellow writers and best friends Cynthia Weil and Barry Mann, to becoming one of the most successful solo acts in popular music history. Along the way, she made more than BEAUTIFUL music, she wrote the soundtrack to a generation and you'll have an opportunity to hear them: *You've Got A Friend, Natural Woman, I Feel The Earth Move, It's Too Late, One Fine Day, Up On The Roof* and many, many more!

Prior to the show, we have included dinner in Nashville. Once we have our final sign-up list, we will send out a final itinerary with departure times and pick-up points.
