Kentucky Bank is excited to present a grand vacation opportunity through some of its most stunning parks, and sites through Arizona, Utah and Kentucky's Best takes you April 22-28, 2006!

Our trip starts in Louisville where our guide will first take us to the resort known as we

travels will take us to The South Rim aboard the vintage Grand Canyon Railway in historic cars pulled by locomotives.

American culture takes the form as we continue our tour through the American West. Here, we visit the historic Fort Huachuca and enjoy a scenic drive tour through Monument Valley with Navajo guides. See how the "red rocks" you recognize from western movies and TV shows!

Natural Bridges National Monument and Capitol Reef National Park with its colorful cliffs known as "sleeping rainbows" provides more breathtaking scenery for our touring.

In Utah, we are treated to tours of the Escalante Grand Staircase National Monument - one of the state's most scenic areas - as well as Bryce Canyon National Park before we move on to Zion National Park.

After a visit to Hoover Dam on the Nevada-Arizona state line, our tour concludes on a different note as we visit glittering Las Vegas! Our lodging is at Treasure Island Resort, located in the center of the Las Vegas "Strip." We spend the night in Las Vegas prior to flying home on Friday afternoon, April 28.
